Willye B. White was a great friend to many of us and tragically we lost her a few years ago when she lost her battle with Pancreatic Cancer.

Willye was a tremendous Track & Field athlete. She was the first five time American Olympian in Track and Field. She showed what the true Olympic Sprit means both on and off the track. What made Willye so special is what she did for others. She touched the lives of many people throughout the world. Her real passion was for the children; she cared deeply for the lives of our youth.

Please take the time to [vote](#) and vote often! She was very special and a true Diamond in the Rough.

PASS THIS ON TO EVERYONE YOU KNOW!!!!
